Some split off for Limestone others continued with us to the other end to the Mendenhall water hole. We lost a few more riders there, then headed towards Sigel to Ron Pacsai's farm. Leaving there we got everyone back to Forest Drive where everyone split off for home.

In the poll we asked members if everyone would be ok with her missing more meetings than normal and an overwhelming amount of you voted to keep her on in whatever capacity she has available. So, if we do not have any volunteers to run for an officer position things will flow into 2025 the same as 2024.
