

Monthly Membership Meeting

April 16, 2026

<<Clarion Eagles>>

Call to Order: 7:05 PM

Attendance: 31

1. Officer Reports

a. President

- i. Welcome thanks for coming.
- ii. We still have the detour around 949. We are hoping to get signs up and this will be known as the Love / Dickey bypass.
- iii. We have a few additional garbage cans out at new locations. One at Kingsville and one at the SS minnow. If you notice the cans need to be emptied, please contact me or Bob so we can get them taken care of. We are looking at getting chains to attach the lids to the cans, so they do not wonder off. Brian V is working on this project.
- iv. If you are out riding feel free to stop and talk to other riders. If they are on a day pass or are members, they will be ready to show you either their day pass confirmation email or their membership card. If they are not members, please encourage them to check out our website and either get a day pass or membership.
- v. Traveling the trail you may notice that adjoining landowners have graciously decided to decorate the trees on our property with purple paint. In most areas, the club owns 50' and up to 100' off the center of the trail. As long as there is no trouble with the landowners they can color the trees all they want. Purple paint does not replace deeded property lines.
- vi. Speaking of property, the spring property taxes have been paid. Our next large expense will be insurance due in June \$3,903.56.
- vii. Reminder: Elections are every year at the August meeting.
- viii. Our next meeting will be May 21st here at the Eagles 7 PM.

3. New Business

- a. We would like to ask for volunteers for another committee; this one would help with signs along the trail. The trail is 23 miles long and crosses 22 roads. That would be 44 stop signs, road name signs and warning signs about what vehicles are not allowed on the trail. We still need to get mile markers up as well. If you would like to help out let us know.

- b. Bridge 3 project update: got material to make the trailer. Looking at May to get the decking moved.
