WELCOME!

Welcome to returning and new members. We would like to take the opportunity to review some information concerning the club and trail etiquette.

Newsletter: Please make sure to update us if your email address has changed. This will ensure that you receive our monthly newsletter with events, maintenance days and project updates. If you are not receiving the newsletter, it is on our website. Drop down menu from main page...information....resources. The monthly minutes are there too.

Communication: Communication is important for the success of our club. If you have questions as to what is currently going on, please visit our members-only Facebook page, ride the pine members only, our website, pineyrailriders.org or email us at info@pineyrailriders.org.

Meetings: Regular monthly meetings are held every 3rd Thursday of the month at the Clarion Eagles, 81 Stone House Road, Clarion, PA 16214 @ 7pm. Exceptions are as follows: March we have a destination meeting and **December and January we do not have a meeting at all.**

Membership Stickers/Day Passes: Please make sure to have your membership sticker visible to other riders and/or have your membership card available should you be asked for it while on the trail. Day pass holders, please make sure to have your email confirmation, not order number, available should you be asked for proof that you are allowed on the trail.

Trail Etiquette: When riding at Piney, we see most riders operating in a safe, courteous manner throughout the entire trail. Although we all know the basics, we can repeat the following tips for good trail etiquette and in some cases, requirements, of the trail system:

Stop means Stop: We can't always hear cars when crossing roads. Stop and proceed with caution at every road crossing.

Yield: We ask that you stop and allow horses, bicyclists and pedestrians to pass. In case of horses and those walking pets, they can be skittish around foreign noises. Be sure to wave as you pass and do not accelerate until well beyond the other trail user.

Hand Signals: Please use hand signals, especially when riding as part of a group.

Respect the Trail/Landowners: Nobody likes a "show off" and the actions of a few can ruin things for everyone. If someone in your group is riding like a clown, or disrespecting landowners, you have an obligation to help them obey the rules. All it takes is a few unhappy landowners or municipalities to stop our trail. Remember to travel slow and keep noise to a minimum.

Local Business: Please be sure to check out our local businesses in the communities near our trail system and support them.

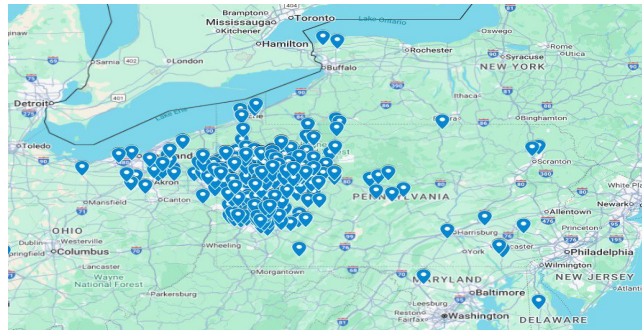

MEMBERSHIP

IMPORTANT INFORMATION

Included in your membership packet, you will receive a map of the trail that the club owns. This is the only property being a member gives you access to. Being a member does not come with perks to ride trails off of the approved route on the map. You either have to A: ride ATV approved roads or B: PERSONALLY get the land owners permission. You should carry written permission to use the adjoining property just like you would need to for hunting in PA. The club is not liable if you leave the trail. At that point, all liability is on you and anyone who follows you off the club designated route.

MEMBERSHIP CARDS

Membership cards are distributed with your membership packet. Your card will have the names of our sponsors that will offer a discount to you **ONLY WHEN YOU SHOW YOUR CARD**. We have some great businesses including East American Motorsports, i.e. Insurance, J&B Motorsports, M&S Meats, Microtel Inn & Suites, Stiller Motorsports and Country Palace II. As we add sponsors that will offer a discount, we will post them on our website and in the newsletter. **Please note that not all sponsors offer a discount.**

TRAIL NEWS

ONE EYE'S VALLEY BRIDGE/GRANT

We have not gotten anything from DEP on the permit to date. Our engineer has marked out the area that needs cleared, **PLEASE LEAVE THE AREA ALONE** as the Project Committee will be organizing the clearing.

The creek crossing at One Eyes Valley (between East Reidsburg Road and the Allison Intersection) is blocked off. Please use the bridge for crossing. We are working with DEP to meet their requirements so we aren't fined for anything. **PLEASE DO NOT CROSS ANY CREEKS.** If there isn't a bridge, it's not a crossing.

MEMORIAL HILL

AS A REMINDER, the hill climb at Memorial Hill is now closed. This recommendation is to prevent further erosion into the creek at One Eye's Valley where we have officially filed for a permit with DEP for a bridge crossing. A mannequin mascot for 5-6 years at the Tipple. Please follow our members-only Facebook page, ride the pine members only, for future updates.

SIGN COMMITTEE

We are currently needing leads on sign posts that are U channel type to attach the sign to. Contact Marie if you have any information that could help the club or if you are interested in helping with this project.

RADIO COMMUNICATION

Keep in touch with other riders in case of breakdowns or emergencies. Below are the most common channels that riders in the club use.

Radio Channel 2 or FRS2
Frequency 462.5875

TRAIL ETIQUETTE

Please remember that Piney Rail Riders has access to the railbed only and any side trails that are not leased or maintained by the club must have permission from the land owner to access. As respectful riders, please keep your speed and noise to a minimum when passing camps or houses, and if you see suspicious activity or items that should not be on the trail, take a picture and contact Bob Guthrie or any officer.

RT 949

Heading East on the trail at mile marker 16.5 or as we have nicknamed it, the SS Minnow, there is a very dangerous area that is not ideal for entering the highway.

Please use the following detour: At around mile marker 15.5 heading East, make a right onto Swine Ford Road. At the next 4-way intersection, make a left onto Love Road. Run this out to the main road to make a right onto Rt. 949. Travel a short distance and take a left onto Dickey Road. This is sort of a blind turn so be careful. At the Y, stay to the left and you will intersect with the trail again. To continue heading East toward Brookville, make a right onto the trail.

TRAIL CLOSURES

We recently posted that a trail leading to Snug Harbour was closed by the land owner. After researching the location of the trail, we found it is off Connor Road and on the opposite side of Route 66 from Snug Harbour. The trails behind Snug Harbour have not been affected by this closure. Please remember proper riding etiquette and stay on the trail, no littering, keep your speed down and do not bother animals or out buildings.
